**SECTION 165 OF THE ROAD TRAFFIC ACT 1988**  
**NOTICE OF SEIZURE OF VEHICLE**

Motor Vehicle FORD FOCUS Registered Number FM62AUA EID No 64208

You are shown as the last known keeper of the above vehicle that has been seized in accordance with Section 165 Road Traffic Act 1988, having been driven or ridden on a road and the police have reasonable grounds for believing that it was driven without a **valid certificate of insurance and/or a driving licence for the class of vehicle.**

The vehicle was seized on 28/12/2023 from DMWO A46 KINOULTON

In order to reclaim your vehicle you **must**

- A)** produce a valid certificate of insurance, test certificate and driving licence covering the use of the vehicle together with proof of your identity and ownership of the vehicle (V5/receipt ) at **Newark/Worksop/Mansfield/Central/Carlton/Radford Road Police Station** Monday – Friday between 9am and 4.30pm only.
- B)** take this form and **ALL** of the above documents to the nominated recovery operator **WITHIN 14 DAYS OF THE DATE OF THIS LETTER** and
- C)** pay all charges in relation to the removal and storage outstanding.

The vehicle is now stored at JACKSONS RECOVERY LTD., DALESIDE ROAD  
COLWICK NOTTINGHAM NG2 4DH 0115 9859727

A recovery charge and storage charge will be due and must be paid prior to the release of the vehicle. These charges are determined by The Removal, Storage and Disposal of Motor Vehicles (Amendment) Regulations 2023 and will be clearly displayed at the duty garage.

Signed.....

Date 28/12/2023

On behalf of Nottinghamshire Police

**PLEASE READ OVERLEAF**

## **Claiming vehicles: PLEASE READ CAREFULLY**

"Ownership" means the owner of the vehicle at the time of the seizure. Possession of the V5 Registration Document does not mean that the named person is the owner of the vehicle, it could be on a lease/hire agreement or on hire purchase agreement in which case the relevant finance company actually own title of the vehicle. At the time of seizure the duty garage will carry out a check on the HPi Crushwatch Scheme and this will automatically notify the relevant finance company of its seizure and they may elect to repossess the vehicle

Whilst the vehicle is in the care and control of Nottinghamshire Police we take temporary ownership of the vehicle and as such **the seized vehicle cannot be sold onto a third party**. Any 'promise of sale' can only be completed once the vehicle has been released from our care and control.

Any persons reclaiming a vehicle will be required to provide documentary proof of ownership, this either being a V5C Registration Document or a new keeper slip together with verifiable paperwork, i.e. a printed bill of sale from a reputable car dealership. Any person, claiming to be the new owner, who only can only produce a V5C registration document in the previous owners name or only the new keeper slip part of the V5C will be required to complete a form V62 as part of the release procedure. This will not apply to a bona fide motor dealer who are producing a traders insurance policy as outlined below

The owner or keeper may authorise a third party to collect the vehicle on their behalf by providing a written letter of authority along with the V5C Registration Document but the below requirements will still apply.

### **Driving Licence**

A valid driving licence is one that complies with Section 88 of the Road Traffic Act 1988 and in the case of a photo card style licence all parts will be required to be examined. Where the person reclaiming the vehicle is a provisional licence holder they must be in possession of 'L' plates and accompanied by a suitably qualified full licence holder who must also produce their driving licence (all parts) for verification. An International Driving Permit is NOT a driving licence and must be produced alongside the driving licence that it relates to as well as the passport of the licence holder to prove date of entry into the UK.

### **Insurance Certificate**

Any insurance certificate produced must relate to the seized vehicle and be valid for a minimum of 28 days to be acceptable. Any less will be construed to be a 'statement of intent' not to obtain further insurance cover. The person reclaiming the vehicle must be named on this certificate.

Third party extensions on fully comprehensive policies will not be accepted to reclaim seized vehicles.

### **Traders or Open Insurance Policies**

Where a motor trader is wishing to reclaim the vehicle using an open trader insurance policy then the following will need to be complied with before it is accepted;

- a) the vehicle and/or the driver is listed on the policy at the time of production.
- b) where the driver is an alleged employee and is driving a customer's vehicle then the motor trader will need to produce audited accounts and PAYE returns to substantiate the fact that the driver was employed by the motor trader at the time of seizure. NB Open trader insurance policies will not normally cover employees to drive their own vehicles.
- c) the motor trader, be they full time or part time, **MUST** produce Stock Books, together with VAT registration and VAT returns as required under the Vehicle Crime Act 2000 to prove they owned the car at time of SEIZURE.

### **These are legal requirements and are NON NEGOTIABLE**

Collection by low loader or other means is permitted but **ONLY** after all the required documents have been produced and validated

If it transpires that the documents were legal and afforded cover to the driver at the time of seizure and the vehicle should not have been seized the authorised staff member shall instruct the duty garage to release the vehicle free of charge.

If it transpires that the vehicle was seized as the insurance company had entered the details incorrectly on the Motor Insurers Database then they have not complied with their contractual obligations or the requirements of the Data Protection Act and the owner is liable to pay the charges and reclaim from their insurance company

### **Unregistered vehicles**

In order to recover unregistered vehicles you must still produce documentation for its legal use on a road. In order to obtain insurance the vehicle will need to be made road legal, submitted for an MOT test and then registered with DVLA and you will need to make arrangements with the duty garage for this work to be done should you wish to reclaim the vehicle

**If you make a false statement to an Insurance Company to gain insurance, including failing to advise them that the vehicle has been seized for being used without correct documentation, you commit a serious offence.**

**If you state you were the vehicle's keeper and lent the vehicle to a friend who was then stopped without a licence/insurance, you will be prosecuted for illegally permitting use of the car; a Court can put points on your licence for this.**

**PLEASE ENSURE YOU HAVE THE CORRECT DOCUMENTATION BEFORE YOU ATTEND THE POLICE STATION. IF YOUR DOCUMENTS ARE INCORRECT YOU WILL **NOT** BE ALLOWED TO COLLECT A VEHICLE.**

**If you are unsure about what you need to produce, please ring 0300 300 9999 and ask to speak to the Reception staff at the Police Station you wish to produce your documents at or to the Force Vehicle Recovery Manager**
